RADIANT AND INNOVATIVE

The Honda Element Xtreme has the look that will keep any party going all night long! The E2X is the most attention-grabbing, party-rocking, event-popping centerpiece at the hottest parties on South Beach! Whether the E2X is inside or outside, the surrounding LED lights will add style and pizzazz to your event. With self-contained power and a silent generator, the E2X can park and perform almost anywhere. For extra marketing opportunities, custom logo the outside with vinyl decals and loop your logo and videos on our 32" LCD TV screens.

This eye-candy DJ vehicle is definitely a dance party on wheels, but be careful because the E2X is known to take events to an Xtreme Party Zone!
