FORGET EVERYTHING YOU THOUGHT YOU KNEW ABOUT DJ EXPERIENCES.

Mix on Wheels is here to electrify your event with the future of mobile entertainment.

As the DJ arrives, the car itself comes alive. A low hum, a surge of energy, and then – the vibe explodes. Every beat drop is a sonic boom, amplified by a state-of-the-art sound system that pushes the boundaries of bass.

This is the first electric DJ vehicle offering sustainability and the environmentally friendly future of partying, a testament to the fact that high-energy entertainment and eco-consciousness can go hand in hand. Let Mix on Wheels electrify your next event, and experience the power of music, redefined.
